

School-Parent Compact Review Meeting
Achieve Elementary School
April 15, 2014 at 6:00 p.m.

SAMPLE – This is an example tool for school/district personnel to use. It models how to ask the right questions during Title I parent input meetings to receive effective feedback tied to student achievement. This form should not be used by parents in isolation. It is designed to be used during a guided conversation that evokes two-way communication.

A School-Parent Compact is an agreement that parents, students and teacher develop together. It explains how parents and teachers will work in partnership to make sure all students get the individual support they need to reach and exceed grade level standards.

The data just shared with you showed that **85%** of the students at Achieve Elementary are meeting or exceeding standards in reading on the CRCT. While most of our students are doing well however, there are about three entire classrooms of students (or **15%** of the students at the school) who are not meeting the reading standards.

Do you agree that the School-Parent Compact should focus on increasing the reading scores on the CRCT?
